REDDAM HOUSE UK TOUR 2008

This was the first year that Reddam House Atlantic Seaboard did an overseas sports tour and I must congratulate Tours 4 Sport on their outstanding organisation. The travel arrangements were absolutely outstanding and I could not find fault with ANYTHING. The quality of the hotels, food, stadium tours and day trip arrangements was phenomenal.

I have done numerous tours with other companies for sport and have not had such a wonderful tour as with Tours 4 Sport. They made all the arrangements and I could just enjoy my tour without worrying about anything.

Kind Regards
