## Introduction

Holland is one of our most popular sports tours destinations. It is a sports mad country, with excellent facilities and high participation levels at all ages. The small size of the country means it is easy to travel to other cities to play games, which allows you to see different parts of the country as well.

Katwijk is an excellent location for your tour. You will be in a small tourist town yet within easy driving distance of Amsterdam if you want to visit. The huge sandy beach is a great place for the group to relax in the late afternoon and evening, and there are a number of restaurants, cafés and bars along the boulevard on the sea front. Your accommodation is well located close to the beach. You will be located in multi bedded en-suite rooms on bed and breakfast basis. There is a popular bar downstairs which has live bands on at weekends. Guests should be aware that music may be audible on Friday and Saturday nights in some of the rooms.

Amsterdam is a 40 minute drive away, and a popular destination for day trips. One popular choice would be to head into Amsterdam on Saturday morning for free time in the city or a canal cruise, then over to your host club for a friendly fixture in the afternoon.

On Easter Sunday we can arrange entry to the popular Hilversum tournament, where teams from U12 through to U19 compete at their age categories in a one day competition. The international entrants generally from UK, Belgium and France improve the standard of play here so you will have a day of good competitive rugby followed by BBQ and socializing.

"You said that we would be well looked after but what you did exceeded expectations. The Saturday was one of the best rugby experiences that many of us have been part of...and the Hilversum tournament was outstanding in organisation and competition." M Parry, Chippenham RFC U14, Easter 2009."

"I am pleased to recommend Tours4 to other junior rugby tours. The organisational effort required was greatly helped by the efficiency of Tours4, and their rugby club contacts in Holland provided us with a superb welcome both on and off the pitch." D Asquith, Malton & Norton U17, Easter 2009
